Purchase Points. . .

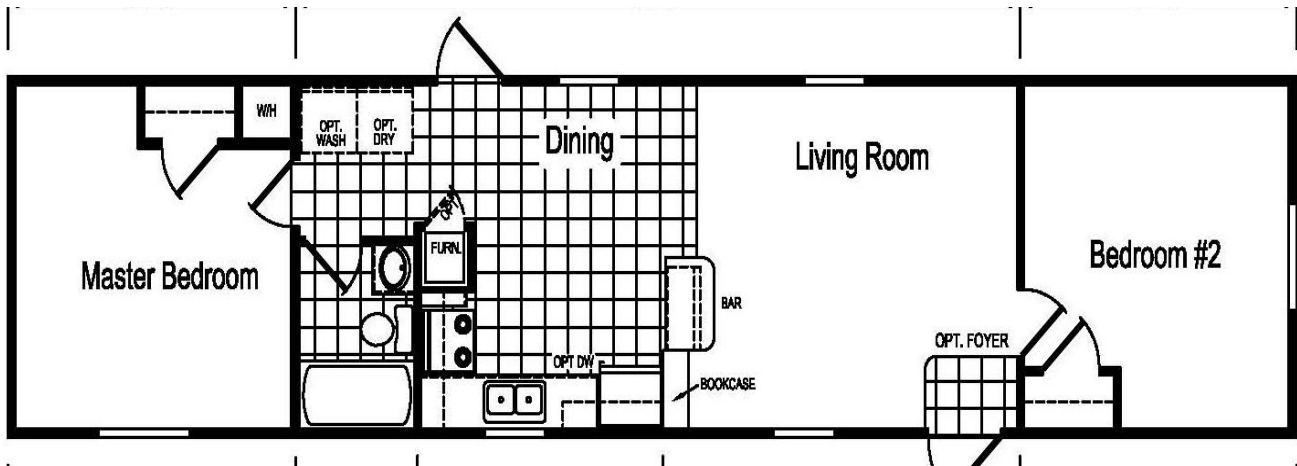

As you enter this home, you are struck by the lovely earth-toned color scheme and great flow. There is an open floorplan kitchen with refrigerator, dishwasher and gas range. Next is the dining area, and a separate section for a full-sized washer & dryer! This is also where the tastefully-done full bathroom is situated, convenient for your guests as well as centrally located to the master bedroom. The second (and 3rd) Bedroom is on the opposite side of your home. There are 8 ft. flat ceilings throughout, as well as white encased windows with self-storing storm windows included!

Includes: Range, Refrigerator, Dishwasher, Central Air

Heating: Propane

Cooking: Propane

Hot Water: Electric
