Purchase Points. . .

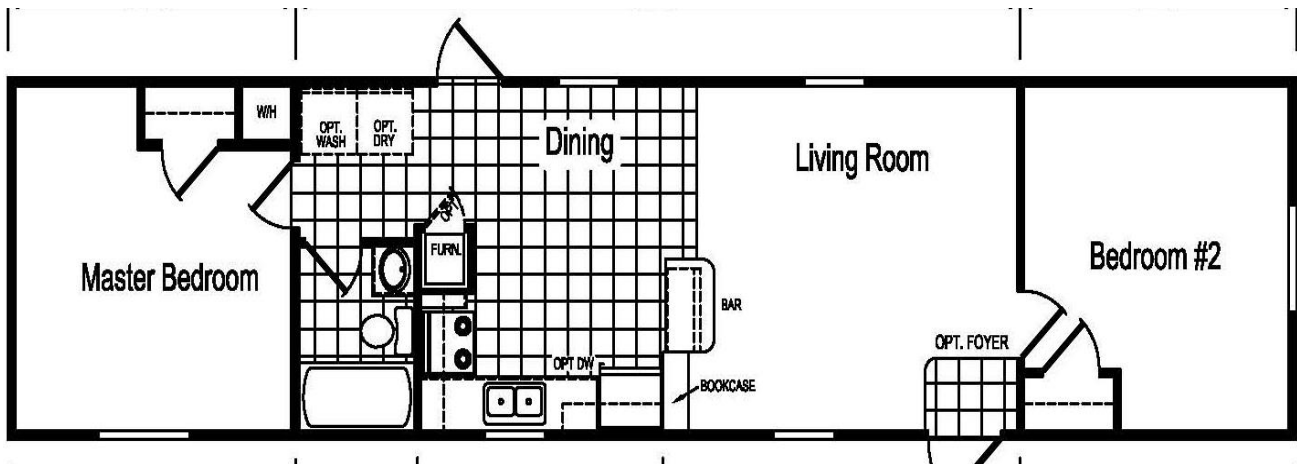

As you enter this New Home you are struck by the lovely earth toned color scheme and great flow! There is an "Open" Style Kitchen with Refrigerator, Dishwasher and Gas Range! Next is the quaint Dining area which also has a separated section with a Built-In Pantry and accommodations for a Full-Sized Washer & Dryer! This is also where the tastefully done Full Bathroom is situated, convenient for your Guests as well as centrally located to the Master Bedroom! The second Bedroom is on the opposite side of this home which is also almost as big as the Master! There are 8 ft. flat ceilings throughout as well as beautiful white encased Windows with Self-Storing Storm Windows included!

Inclusions: Range, Refrigerator, Dishwasher, Central Air, Ceiling Fan

Heating: Propane

Cooking: Propane

Hot Water: Electric
